Government Arts & Commerce College, Kathlal

About College

Established in 2012, Government Arts and Commerce College, Kathlal (Dist-Kheda) is affiliated to Sardar Patel University, Vallabh Vidyanagar. The College is recognized college under section 2(F) and section 12(B) of the UGC Act. It is the only institute imparting higher education in the area. The college with its teaching & learning sessions, extension and extra, co curricular activities helps the students for the achievement of updated knowledge, moral values, community orientation, good citizenship and prepare them for further higher education or successful career. Regular efforts are made for socially and economically backward students and social development of the community living in the surrounding area.

Objectives

Higher education carves the path for developing skills and improving intellectual potential among the youth who then make over the future of the country. We are living in an age where competition for endurance is highly significant for all. The concept of new India includes, among other things, preparing the generations which are practiced and self-dependant. Keeping this fact in mind we are organizing a seminar with the following objectives:

1. To explore the major initiatives, activities for quality education.
2. To create awareness about skill- based programmes in higher education.
3. To discuss on well rounded and profession specific development of students.
4. To discuss various skills based programmes/ courses available for the students which can be helpful to them for their career in future.
5. To discuss how quality can be improved in higher education through skill based programmes/ courses in NEP:2020

Call for Papers

Faculties, research scholars and students pursuing higher education can participate in the seminar. Papers related to the topic: **“OUTCOME BASED LEARNING & QUALITY IMPROVEMENT IN HIGHER EDUCATION OF INDIA: NEP2020”** or below given sub-themes are invited from faculties and scholars.

Subthemes:

1. Quality Improvement and Assurance: Needs and Challenges
2. The significance of skill based Programmes for achieving quality goals
3. Improvement in Quality of curriculum designs and teaching learning practice in NEP2020
4. Financial resources and their management
5. Quality assurance on outcomes based education, learning and evaluation

Follow guidelines:-

Papers should be of interest and relevance to the theme of the Seminar. The text should be double spaced in 12 point Times New Roman font with a margin of 1.5 inches. The cover page should contain the title of the paper, the author's name, designation, affiliation, email ID and contact details.. Send the paper in Doc Format. You can submit your paper by 10 March, 2022.

Click here for registration

Detail Report

One Day National Seminar(online) sponsored by NAAC on Outcome based Learning & Quality Improvement in Higher Education was organized on 15th March 2022 by Government Arts & Commerce College, Kathlal (Dist- Kheda) Gujarat on digital platform of Ms Teams. There are more than 200 participants have registered themselves for seminar. About 77 participants have joined all the sessions. There are more than 50 participants are from different states likes- Rajasthan, Madhya Pradesh, Uttar Pradesh, Bihar, Tamilnadu, Karnataka, Calcutta, Maharashtra, Jharkhand, etc. More than 35 paper presenters have presented their paper in seminar.

Dr. Prashant Parhad, Deputy Adviser from National Accreditation & Assessment Council, Bangalore has provided detailed presentation on NAAC assessment framework & impacts on higher education. 7 criteria are well discussed & explained by him with relevant examples.

Dr Rajendrasinh Jadeja explained outcome based learning in higher education. He covered all aspects that affect Education system, Educators, Learners, Stack holders. He discussed different strategies & techniques to support outcome based learning in higher education.

Dr Jagdish Joshi has discussed impact of MOOC on higher education for quality improvement. How our oldest universities played vital role in education system. He explained about effective tools for quality improvement in higher education. He discussed major roles of pedagogic strategies in higher education regarding NEP 2020.

We share our sincere gratitude to National Accreditation & Assessment Council, Bangalore to provide us elite opportunity to organize such though provoking seminar (online).

Outcomes & Suggestions:

- 1. The seminar will prove to be helpful to other institutes who intend to organize seminars on quality improvement in higher education.**
- 2. The seminar will be useful to the teachers teaching at higher education institutes in improving quality of teaching- learning.**
- 3. The seminar will be fruitful for the participants who want to apply outcome based Learning approach.**
- 4. The seminar will be helpful to the teachers of higher education institutes in having better understanding of the National Education Policy 2020.**
- 5. The participants of the seminar will know the significant role of NAAC Assessment and accreditation in the improvement of quality in higher education. . They in their turn will be able to help their institutes score better in NAAC accreditation**

Features of Outcome-Based Education
According to Spady, W. D.

- Students can learn and prosper, but not on the same day in the same way.
- Schools control the conditions of success.
- Give emphasis to authentic, achievable and measurable learning outcomes.
- Concerned with what students' capabilities at every stage of education with focusing on curriculum and assessment design around higher order outcomes.
- Accountable to stakeholders, the learners, the teachers, the employers and the public.
- Leads to the change of schooling, including the curriculum, instruction and assessment.
